Education and Training

Glebe Collegiate, Ottawa, ON - High School 2015-Present

Programming Languages, Ottawa, ON - High School and Self Taught 2015-Present

C++, Javascript, C#, Unity. Learned how to break down problems to their very basic components in order to solve complex problems.

Canadian Roots Exchange, Ottawa, ON - Blanket Exercise Training March 2015

The Blanket Exercise is an exercise to illustrate how colonization affected the Indigenous people of Canada. In this exercise the Trainees are taught how to be sensitive and create a safe space.

Experience

Fat Les's Chip Stand And Wham Burgers Summer of 2018

- Worked as fry cook, grill cook, and Cashier.
- This job taught me a lot about customer experience. I learned that the most important thing in customer experience is always being polite and courteous.

East Regional Soccer League, Ottawa, ON -Soccer Player 2010 - Present

- Played on several different soccer teams in the ERSL.
- Developed teamwork skills.

Ottawa East News, Ottawa, ON - Delivery Person 2017 - 2018

- Given two streets a week to deliver papers. I have never failed to deliver on time.
- Learned about responsibility and time management skills.

Activist - Presenter 2011- Present

- Made presentations about the injustices Indigenous people face in Canada at various levels of understanding ranging from university classes to elementary school classes.
- Increased my articulation of words,communication skills and people skills.

Skills

Leadership:

- Nominated to link crew, a club in the high school that focuses on helping leaders become better leaders.
- Coordinated speakers on Parliament Hill for Have A Heart Day.
- Lead a design and tech team to victory in the Ottawa-wide competition which qualified us for provincials.

Hard Worker:

- Cut from my soccer team, I practiced hard all summer and tried out for the winter season and made the team. Despite placing 11th in the city in my first year in high school cross country, I was dissatisfied, so worked and trained hard and then came 7th in the city the following year.

Miscellaneous:

- Competent in software to fix problems that may arise and slow down work.
- Computer understanding to the point of taking apart a computer and putting it back together.

Volunteer work

First Nations Child And Family Caring Society, Ottawa, ON - Volunteer

- Interviewed for various videos the society produced.
- Helped organize and present at events.

TWIGS (Those Who Initiate Greener Spaces), Ottawa, ON - Member

- Sorted recycling from the school on a weekly basis.
- Sorted electronic waste at the electronic waste dump that TWIGS hosts every year.

Awards

- **Paul Harris Fellow Award.** Given to me by The Rotary Foundation is an award I received for my activist work to stop discrimination against Indigenous Canadians.
- Placed 7th in the city to bring Glebe Collegiate cross country team to victory in the city championship in 2016.
- Won the NCSAA soccer championship in 2017.
- ECOO champion in Ottawa Competition.
